

# A Woman's Worth (remix)

Alicia Keys

You could buy me diamonds, you could buy me pearls  
Take me on a cruise around the world  
Dinner lit by candles, run my bubble bath  
Make love tenderly to last and last  
Wanna please, wanna keep, wanna treat, your woman right  
Not just do, but to show, that you know, she is worth your time  
You will lose, if you choose, to refuse, to put her first  
She will, if she can, find a man, who knows her worth  
'Cuz a real man knows a real woman, when he sees her  
And a real woman knows a real man, ain't afraid to please her  
And a real woman knows a real man, always comes first  
And a real man just can't deny, a woman's worth  
If you treat me fairly, I'll give you all my goods  
Treat you like a real woman should  
If you never play me, promise not to bluff  
I'll hold you down when shit gets ruff  
She walks the mile, makes you smile, all the while being true  
Don't take for granted the passions that she has for you  
You will lose, if you choose, to refuse, to put her, first  
She will if she can find a man who knows her worth, oh  
'Cuz a real man knows a real woman, when he sees her  
And a real woman knows a real man, ain't afraid to please her  
And a real woman knows a real man, always comes first  
And a real man just can't deny, a woman's worth  
No need to read between the lines, spelled out for you  
Just hear this song 'cuz you can't go wrong, when you value  
A woman, woman, woman, woman's worth  
'Cuz a real man knows a real woman, when he sees her  
And a real woman knows a real man, ain't afraid to please her  
And a real woman knows a real man, always comes first  
And a real man just can't deny, a woman's worth  
'Cuz a real man knows a real woman, when he sees her  
And a real woman knows a real man, ain't afraid to please her  
And a real woman knows a real man, always comes first  
And a real man just can't deny, a woman's worth  
Cherish that woman  
It's gonna [incomp] that woman  
Ooh yeah
