

Love You for a Long Time

High Valley

Long as trucks have tailgates,
Tire swings hang above creek banks,
Fireflies light up the summer sky,
I'll love you, love you for a long time

Long as there's preaching at the church house,
Springsteen sounds better cranked up loud,
Roosters crow at sunrise,
I'll love you, love you for a long time

Long as there's a breath in me,
Right down to my last heartbeat,
Long as your blue eyes shine,
I'll love you, love you for a long time

When I get to thinking 'bout forever,
It's always you and me together,
Hand in hand, dancing in the sunshine,
I'll love you, love you for a long time

[From: <http://www.elyrics.net>]
Long as there's a breath in me,
Right down to my last heartbeat,
Long as your blue eyes shine,
I'll love you, love you for a long time

So let the storm clouds roll,
Let the rain fall down,
'Til the good Lord calls me home,
I'll be around, I'll be around

Long as there's a breath in me,
Right down to my last heartbeat,
Long as your blue eyes shine,
I'll love you, I'll love you

Long as there's a breath in me,
Right down to my last heartbeat,
Long as your blue eyes shine,

I'll love you, love you for a long time

A long, long time
I'll love you for a long time
