

# 9-2-5

## Anvil

Punch the clock  
Don't be late  
Wear a tie  
Stand up straight  
Labour for money  
Money for rent  
Paying the bills  
Is how it's spent  
Don't do this  
Don't do that  
The boss is rich  
He's getting fat9-2-5  
I'll never survive  
9-2-5Speed it up  
Keep working fast  
Rules to break  
Will this job last?  
Don't do this  
Don't do that  
The union hates  
A wildcat-Chorus-Out to lunch  
Back at one  
Cash the cheque  
Weekend's fun  
Sweep the floor  
The hours go by  
Can't wait till five  
When it's time to fly  
Don't do this  
Don't do that  
Call in sick  
And never come back!-Chorus-
