

Frim Fram Sauce (Tribute to Nat King Cole)

[Diana Krall](#)

I don't want french fried potatoes, red ripe tomatoes
I'm never satisfied
I want the frim fram sauce
With the oss-en-fay with sha fafa on the side I don't want pork chops and bacon
That won't awaken, my appetite inside
I want the frim fram sauce
With the oss-en-fay with sha fafa on the side Well you know a girl
She really got to eat
And a girl she should eat right
Five will get you ten
I'm going to feed myself right tonight I don't want fish cakes and rye bread
You heard what I said
Waiter please, I want mine fried
I want the frim fram sauce
With the oss-en-fay with sha fafa on the side
