Lucille (Collins/Penniman)

Little Richard

Lucille, you won't do your sister's will?
Oh, Lucille, you won't do your sister's will?
You ran off and married, but I love you stillLucille, please, come back where you belong
Lucille, please, come back where you belong
I been good to you, baby, please, don't leave me aloneI woke up this morning, Lucille was not in sight
I asked my friends about her but all their lips were tight
Lucille, please, come back where you belong
I been good to you, baby, please, don't leave me alone, whoaI woke up this morning, Lucille was not in sight
I asked my friends about her but all their lips were tight
Lucille, please, come back where you belong
I been good to you, baby, please, don't leave me alone
