

# No Cars Go

## Arcade Fire

We know a place where no planes go

We know a place where no ships go

Hey, no cars go

Hey, no cars go

Where we know

We know a place no space ships go

We know a place where no subs go

Hey, no cars go

Hey, no cars go

Where we know

Hey

Hey

Mom, Dad

No go

Hey, us kids know

Hey, no cars go

Where we know

Between the click of the light and the start of the dream

Between the click of the light and the start of the dream

Between the click of the light and the start of the dream

Between the click of the light and the start of the dream

I don't want any pushing, and I don't want any shoving

We're gonna do this in an orderly manner

Women and children

Women and children

Women and children

Let's go

Old folks

Let's go

[Incomprehensible]Let's go
