Always There (David Morales Remix)

Incognito

Such a good feelin' that's where I wanna be
Locked in your prison of total ecstasy, all right, all right
You're so strong and you're so together
Next to you there is nothin' betterAlways there to please you
Always there when I need you
Always there to love you
Always there thinkin' of youAnd if you wanna, if you wanna do it too
There's nothin' better baby, then bein' here with you
'Cause your love is a precious treasure
Only you can bring me joy and pleasureAlways there to please you
Always there when I need you
Always there to love you
Always there thinkin' of you, always you
Always there, always there, always oh
