

Flaming

Scape Eleven

Alone in the clouds all blue
Lying on an eiderdown
Yippee
You can't see me
But I can youLazing in the foggy dew
Sitting on a unicorn
No fair, you can't hear me
But I can youWatching buttercups cup the light
Sleeping on a dandelion
Too much, I won't touch you
But then I mightScreaming through the starlit sky
Travelling by telephone
Hey ho, here we go
Ever so highAlone in the clouds all blue
Lying on an eiderdown
Yippee
You can't see me
But I can you
