

The Boy Who Blocked His Own Shot

Brand New

If it makes you less sad
I will die by your hand
I hope you find out what you want
Already know what I am And if it makes you less sad
We'll start talking again
You can tell me how vile
Already know that I am I'll grow old
Start acting my age
I'll be a brand new day
In a life that you hate A crown of gold
A heart that's harder than stone
And it hurts a whole lot
But it's missed when it's gone Call me a safe bet
I'm betting I'm not
Glad that you can forgive
I'm only hoping as time goes, you can forget If it makes you less sad
I'll move out of the state
You can keep to yourself
I'll keep out of your way And if it makes you less sad
I'll take your pictures all down
Every picture you paint
I will paint myself out It's cold as a tomb
And it's dark in your room
When I sneak to your bed
To pour salt in your wounds So call it quits
Or get a grip
Say you wanted a solution
You just wanted to be missed Call me a safe bet
I'm betting I'm not
Glad that you can forgive
I'm only hoping as time goes, you can forget So you can forget
You can forget You are calm and reposed
Let's your beauty unfold
Pale white, like the skin
Stretched over your bones Spring keeps you ever close
You are second hand smoke
You are so fragile and thin
Standing trial for your sins Holding onto yourself
The best you can

You are the smell before rain
You are the blood in my veins Call me a safe bet
I'm betting I'm not
Glad that you can forgive
I'm only hoping as time goes, you can forget
