## The Boy Who Blocked His Own Shot

## **Brand New**

If it makes you less sad

I will die by your hand

I hope you find out what you want

Already know what I amAnd if it makes you less sad

We'll start talking again

You can tell me how vile

Already know that I amI'll grow old

Start acting my age

I'll be a brand new day

In a life that you hateA crown of gold

A heart that's harder than stone

And it hurts a whole lot

But it's missed when it's goneCall me a safe bet

I'm betting I'm not

Glad that you can forgive

I'm only hoping as time goes, you can forgetIf it makes you less sad

I'll move out of the state

You can keep to yourself

I'll keep out of your wayAnd if it makes you less sad

I'll take your pictures all down

Every picture you paint

I will paint myself outIt's cold as a tomb

And it's dark in your room

When I sneak to your bed

To pour salt in your woundsSo call it quits

Or get a grip

Say you wanted a solution

You just wanted to be missedCall me a safe bet

I'm betting I'm not

Glad that you can forgive

I'm only hoping as time goes, you can forgetSo you can forget

You can forgetYou are calm and reposed

Lets your beauty unfold

Pale white, like the skin

Stretched over your bonesSpring keeps you ever close

You are second hand smoke

You are so fragile and thin

Standing trial for your sinsHolding onto yourself

The best you can

You are the smell before rain
You are the blood in my veinsCall me a safe bet
I'm betting I'm not
Glad that you can forgive
I'm only hoping as time goes, you can forget
