

# All The Time

## Love of Diagrams

All the time I thought there's only me  
Crazy in a way  
That no one else could be  
I would have given everything I own  
If someone would have said  
You're not alo-one

All the time I thought that I was wrong  
Wanting to be me  
But needing to belong  
If I had just believed in all I-I had  
If someone would have said  
You're not so bad

All the time  
All the wasted time  
All the years  
Waiting for a sign  
To think I had it all...  
All the time

All the time I thought there's only me  
Crazy in a way  
That no one else could be  
I can't believe that you were somewhere-ere too  
Thinking all the time  
There's only you

All the time  
All the wasted time  
All the years  
Waiting for a sign  
To think I had it all...  
To think I had it a-all...  
To think I had it a-a-a-all...  
A-all the time...
