

Midnight Sun (feat. Raphaella)

Dirtcaps

I've never been lost in the cold
I didn't know where to go
I've never been lost in the world
All on my own
Cause I know, you won't let me go
You won't let me go
I will never be alone
The streets I roam
But you keep me warm
I call my home
So when the danger comes
There's no need to run
I'll be standing strong
I'll be standing strong
And if the sadness comes
Feeling not alone
So turn out with love
So turn out with love
You're my midnight sun
You're my midnight sun
So it's alright, I'll be alright
You're my midnight sun
So when darkness comes
I'll be alright, I'll be alright
You warm up my bones
Like a firestone
Yeah, I'll give my soul
I won't be alone
So when the danger comes
There's no need to run
I'll be standing strong
I'll be standing strong
And if the sadness comes
Feeling not alone
So turn out with love
So turn out with love
You're my midnight sun
You're my midnight sun
So it's alright, I'll be alright

You're my midnight sun
So when darkness comes
I'll be alright, I'll be alright
You warm up my bones
I'll be alright, I'll be, I'll be alright
