Two Doors

Hayden

I saw in line I checked in
And I thought that you smiled but I'm uncertain
I know all of the lines but they don't work for me
So I just turned away and let it beThere's only two doors in between us
I got a bucket and I'll get some ice
We'll watch a movie and we'll feel alright tonight
We'll watch a movie and we'll feel tonightOn the way to my room, I saw you in the hall
Our rooms were side by side in this huge hotel
I could hear through the wall you were watching what I was
So I picked up my guitar and I wrote this for usThere's only two doors in between us
I've got a bucket and I'll get some ice
We'll watch a movie and we'll feel alright tonight
We'll watch a movie and we'll feel tonight
