

IM mikey

The Cool Kids

Aye, aye, aye, aye, aye

Let em know who it is..[Chorus:]

I-I-I'm Mikey

I-I-I rock (riiiiight)

I-I-I'm Mikey

I-I-I rock (riiiiight)

[2X][Verse 1:]

Check it.

Hold the phone like a call on the other line

I'm on the phone with a bone of another kind

So hold on we could roll to the other side

Side of my dome is the zone you could never find

Grip hands, you might need assistance

Try to find where you are inside of my head

Stay in line single file if you can

Then, we can kick it like kickstands and,

You know I peddle to the chain-slip

So fly propellers propel us to the angels

Re-pellin the fellas that's jealous of the name

It's Repellin to rappers as soon as I stage hit

So one two one two mike check

I'm out for hot in e.q. my steps

I don't use bad grammar so please excuse this

I'm just tryin to let niggas know who I is[Chorus:]

I-I I'm Mikey

I-I-I-Im.. (riiiiight)

I-I- I'm Mikey

I-I-I-Im.. (riiiiight)

I-I-I-Im.. (riiiiight)

I-I- I'm Mikey

I-I-I rock[Verse 2:]

Mission complete for all those who don't know

Sienara to afros and old flows

The concept of rockin shows is so old

Just keep 'em off the wall like vans logos

Pull it together the spare change and hobos

Cause if you got change in your pocket

Then instantly the dames start flockin'

And if you'll show me to the stage (I rock)

Yea

Yes that song request, all I need is a mic and English
Drop the beat all right I proceed to spit
Me and the beat start fightin with the snares and kicks
Now it's a riot on the track
Reason why is cause I'm fire and I'm hired to do that
And i'm fire cause I'm liver then the wire that was tired
Bought back from the dead
Let it rest on ya head.
(if you don't know who he is, it's...)[Chorus til fade:]

I-I I'm Mikey
I-I-I-Im.. (riiiiight)
I-I- I'm Mikey
I-I-I-Im.. (riiiiight)
I-I-I-Im.. (riiiiight)
I-I- I'm Mikey
I-I-I rock
