

# Mellow

## FirejosÃ© & Justicious

I'm gonna see my baby  
She makes me feel like movin'  
I'm gonna see my baby  
She makes me feel like movin'  
She makes me feel high  
She makes me feel low  
I'm gonna see my baby  
She makes me feel like groovin'  
Like this  
Like this  
I see you go to see your baby  
Does she make you feel like groovin'?  
You go to see your baby  
She make you feel like groovin'  
She make you feel high  
She make you feel low  
She make you feel high  
She make you feel low  
She make you feel like  
Spend your money  
She make you feel high  
She make you feel low  
She make you feel high  
She make you feel low  
Need my honey  
Like you feel  
I need my honey  
She makes me feel  
She makes me feel  
Need my honey  
Need my  
Need my honey  
Need my  
Need my honey  
Need my  
Need my  
Gonna go see my honey  
Gonna go see my honey  
She makes me feel like groovin'

She makes me feel high  
She makes me feel low  
When you go to see your honey  
When I go to see my honey  
    Need my honey  
    She makes me feel  
    She makes me feel  
    She makes me feel
