I Get It

Lyric 145

[Mr.Melee]
Yeah Yeah (Mr.Melee)
This that theme music that
be playing out when we ride.
California love but I'm
reppin' for the east side.
Catch me out in L.A buzzin
like a beehive.Yeah I want the glory more
notorious then that B.I.G. guy.
Everybody want to live la vida
but they don't stay grounded they
be runnin' round in these skies.
Trying to get tree high.
Puffin' the weed to they sea god
but I don't want to meet my maker yet
I'm save that for when we die.I run these MC's like addias and some lee jeans.
I don't think the world is really ready for what we bring.
Catch me out in queens and you'll really see what we mean.
Me and Jewlz with the queen why you think they call us the kings?
These things never come easy, is that what you think?
Do a few shows and you'll be ballin' out in the bank?
Stay in the studio and keep on braggin' about your mixtape?
Ugh, thats what I hate, there ain't no time to waste you gotta get it.I get it I got it
I get it (Man) I got it

(Uh) I expect people to look down on me
but when I'm done I guarantee they put that crown on me.

'Cause the better I get at these hits then the better I'm proud to be
They get scared when they hear the sound of me
but when I hear the sound of you its the opposite effect
I pretty much sound asleep ZZZ countin' sheep. Tell me why they hatin' it
'Cause Everybody wants a piece of the pie but nobody contribute to makin' it.Get rid of the pesticides I put the torch to the leeches
I know I talk a lot of (GASP) can't afford to be speechless.
You can't coach me how to ball I aint ask for a teacher.
Nobody respect the person yellin' at the court from the bleachers (Not at all)
and thats now you the same one who aint never did what you den did
but always saying how to.I came through with a skully on with my long hair
some baggy pants with an eye patch and some diamonds on
and a half shirt with some timberlands.
I den broke the rules everything they told me not to do.
but I still got a lot to do cause if I see it
I want it Imma get it aint nothin' impossible (come on)[Sir Jewlz]
What's soilder to a gentleman
I rep you to a veteran
You'll never be clever
or try to level my intellgence.
Your are somethin' devilish ever since
I've been heaven sent the definition
of a competition became irrevlant.We get it We got it (I got it)
