

# The Prayer VI

DMX

In the name of Jesus, let us pray  
Father, please walk with us  
Through the bad times as well as the good  
May we be heard and understood  
From the suburbs to the hood  
May You judge us by our hearts  
And not by our mistakes  
And see that we get a breakthrough  
However long that it takes  
May You fill that void in our souls  
That will lay our fears to rest  
'Cause there's no way we can live for Jesus  
When we're living in the flesh  
So I pray that You allow our spirits to be born  
Grow strong, move on, know right from wrong  
First John, Chapter Two, Verse 15  
Do not love the world or anything in the world  
And we know what that means but listen  
We know the distance  
We need to be away from fire to keep it missing  
That doesn't mean we'll listen  
Lord, You take care of fools and babies  
You teach women to honor their men  
And men respect their ladies  
But lately so many of us have gone astray  
Doing wrong for so long that we've forgotten the way  
Please bring us back home  
Instill in us the word which is our backbone  
We're just children that act grown  
There is so much that we're entitled to  
Yet we receive so little  
'Cause in this time of spiritual warfare  
We're comfortable in the middle  
So I pray that you open our eyes  
Give us the anointing to recognize  
The Devil and his lies  
If we keep our actions wise and our prayers sincere  
Our heads to the sky, You will diminish our fears  
In Jesus' mighty name  
We have prayed, Amen and Amen
