

# Wonder Where You Are (Anton Liss Remix)

## Da Buzz

I see you go again  
to escape from the pain  
shouldn't left you alone (no)  
But baby listen to me  
I can't help how I feel  
theres an end of my love You can run you can cry  
but look deep in my eyes  
our love must be through  
I think I'm loosing it all  
I don't want you to fall  
so take my hand  
and tell me were you are I need to know  
I wonder were you are  
I need to know  
I wonder were you are  
I need to find the love I once had for you  
I wonder were you are You went away from it all  
couldnt take it no more  
I fear you are gone  
Would like to see you again  
say I never walk away  
but I know it's to late  
(and I know it's to late) You can run you can cry  
but look deep in my eyes  
our love must be through  
I think I'm loosing it all  
I don't want you to fall  
so take my hand  
and tell me were you are I need to know  
I wonder were you are  
I need to know  
I wonder were you are  
I need to find the love I once had for you  
I wonder were you are (wonder were you are) Maybe you'r walking in my dreams  
maybe I just wanna hold you  
I need to find the love I once had for you I wonder were you are  
I wanna know were you are  
I need to find the love I once had for you  
I wonder were you are I need to know

I wonder were you are  
I need to know  
I wonder were you are  
I need to find the love I once had for you  
I wonder were you are I need to know  
(I really need to know who you are)  
I wonder were you are  
I need to know  
I wonder were you are  
I need to find the love I once had for you (i need you love)  
I wonder were you are
