

# I'm In Love With a Girl Named Spike

## Skankin' Pickle

There is a girl named Spike from DeGrassi High

She had a baby when she was real young

Her best friend is a skinhead chick

She knows an Asian boy named Yick, Kateland, she is very chic

But I'm still in love with a girl named Spike

A girl named Spike

But I'm still in love with a girl named Spike

I'm still in love with a girl named Spike

A girl named Spike

I don't write love songs

In fact they make me very sick

But Spike the girl from DeGrassi High

She's truly one cool chick

She has the best TV show

Better than Beverly Hills 90210

Shannon Daugherty, well, she's okay

But I'm still in love with a girl named Spike

A girl named Spike

But I'm still in love with a girl named Spike

But I'm still in love with a girl named Spike

A girl named Spike

A girl named Spike
