Six60

It's the way that you love yeah I want that feeling
It's the way that you smile when theres no one there but me
So I'm holding on to the things I'm missing
But the best I can hope for is they hold on to meShe said I'm not alone
But these feelings wont be gone
Till I'm home
Till I'm homeI've been gone ever since and all I can go by
Are the pictures in my head
And 10000 miles shared with you
What am I gonna do
Cos baby when you wake
The sky falls down on me
But the best I can hope for
Is they still think of me
Oo oo oohhShe said I'm not alone
But these feelings wont be gone
Till I'm home
Till I'm homeTill I'm home
Till I'm homeOoooIt's alright as long as we try but I
It's alright were here by your side but I
Till I'm home
Till I'm homeI'm coming home
I'm home
