

The Seventh Stranger (2010 Remaster)

Duran Duran

Those words are all remainders
Echos growing in the heart of twilight
They lay back laughing at naivety's star
Awaken all those whispers
The dusty shadow of a passing favour
I wouldn't say that you were ruthless or right
I couldn't see from so far Was I chasing after rainbows?
One thing for sure, you never answered when I called
And I wiped away the water from my face
To look through the eyes of a stranger For rumors in the wake of such a lonely crowd
Trading in my shelter for danger
I'm changing my name just as the sun goes down
In the eyes of the stranger Can't tell the real from reflection
When all these faces look the same to me
In every city such a desolate dream
Some days are strange to number
Some say the seventh sounds a little bit stranger
A year of Sundays seems to have drifted right by
I could have sworn in one evening And I'm not seized in desperation
No steel reproaches on the table from before
But I still can feel those splinters of ice
I look through the eyes of a stranger For rumors in the wake of such a lonely crowd
Trading in my shelter for danger
I'm changing my name just as the sun goes down
In the eyes of the stranger I must be chasing after rainbows
One thing for sure you never answered when I call
And I wiped away the water from my face
To look through the eyes of a stranger For rumors in the wake of such a lonely crowd
Trading in my shelter for danger
I'm changing my name just as the sun goes down
Walking away like a stranger For rumors in the wake of such a lonely crowd
Trading in my shelter for danger
I'm changing my name just as the sun goes down
In the eyes of the stranger In the eyes of the stranger
In the eyes of the stranger
