

We Are the Light

3C LIVE

There is a move of revival
It is the sound of our freedom

The Spirit moving with power

Darkness is breaking
A new day is dawning

This generation is rising
We called to live out His purpose

Bringing light to the nations
Darkness is breaking

A new day is dawning

We gonna show the world Your greatness
We gonna shake the atmosphere

We bring the message of salvation

Oh oh oh oh we are the light
We are the light

We are the light
We are the light

There is a move of revival
It is the sound of our freedom

The Spirit moving with power

Darkness is breaking
A new day is dawning

This generation is rising
We called to live out His purpose

Bringing light to the nations
Darkness is breaking

A new day is dawning
We gonna show the world Your greatness
We gonna shake the atmosphere

We bring the message of salvation

Oh oh oh oh we are the light
We are the light

We are the light

This is the day to shout His name
No more delay we are the light

This is the time to break the night
No more delay we are the light

We are the light
We gonna show the world Your greatness

We gonna shake the atmosphere
We bring the message of salvation

Oh oh oh oh we are the light
We are the light

We are the light

This is the day to shout His name
No more delay we are the light

This is the time to break the night
No more delay we are the light

We are the light
