

Sneeze

Janellybean

Jump up and down and up and down and up and down
and then spin around, but donâ€™t fall down!
Cuz Iâ€™m gonna need you to freeze
touch your knees
and then sneeze. Ah choo!

Spin round and round and round and round.
Be careful. I donâ€™t wanna see you fall down.
Cuz Iâ€™m gonna need you to freeze
touch your knees
and then sneeze. Ah choo!

Clap your hands high into the sky
and stomp for feet to the beat.
Cuz Iâ€™m gonna need you to freeze
touch your knees
and then sneeze. Ah choo!

Sway side to side to side to side to side
and thank you so much for not being shy.
Cuz Iâ€™m gonna need you to freeze
touch your nose
cuz youâ€™re gonna... great big sneeze. Ah choo!

Iâ€™m gonna need you to freeze
touch your nose
cuz youâ€™re gonna let out a great big sneeze. Ah choo!
