

# Wild Horses

## Velvet Empire

Childhood living, The things you wanted, Is easy to do. I bought them for you. Graceless lady. You know who I am. You know I wont let you. Slide through my hands. Wild, wild horses, Couldnt drag me away. [Chorus:] Wild, wild horses, Well ride them someday. OhhI watched you suffer. A dull aching pain. Now you decided, No sweeping exits, To show me the same. Or off the stage lines. Make me feel better. Or treat you unkind. [Chorus] I know I dreamed you I have my freedom, A sin and a lie. But I dont have much time. Faith has been broken, And tears must be cried. Lets do some living, After we die. [Chorus (x3) Out]
