

# I'd Like to See the Bad Guys Win

Margo Guryan

I'D LIKE TO SEE THE BAD GUYS WIN Words and Music by Margo Guryan I'd like to see the bad guys win  
sometime

I'd like to see the bad guys win  
They act so mean, and they try so hard  
To get into the trouble they're always in I'd like to see the bad guys have some fun  
They're always getting pushed around  
Wouldn't it be thrilling to see  
Stories catching up with reality I'd like to see the good guys giving in  
And letting the bad guys win  
Sometime

I'd like to see the bad guys win I'd like to see the bad guy get the girl  
The good guy's always such a bore  
He's well-behaved, and he's so sincere  
But she don't even get what he gives a horse I'd like to see the bad guys get away  
They're always getting shot or hung  
Wouldn't it be thrilling to see  
A happy ending ending unhappily I'd like to tell the good guys 'it's no sin'  
To let the bad guys win  
Sometime
