

# Fall

## Chloe x Halle

[Verse 1]

Blue likes to drop sometimes, one by one  
But I don't mind, no I don't mind  
Cause luck is on my side  
I feel the drip drop, nonstop, pour on tonight[Chorus 1]  
So what if the rain falls?  
Let's find the gold at the end of the rainbow  
So what if the rain falls?  
I'll shower in shimmers of gold

[Verse 2]

Blue likes to drop sometimes, all at once  
But I don't mind, no I don't mind  
Cause luck is on my side  
I'm looking at where the man upstairs might live, fall on tonight[Chorus 2]  
So what if the sky falls?  
We'll build a life right on the cotton clouds  
So what if the sky falls?  
We'll play hide and seek with the stars[Bridge]  
Let the rain fall, let the sky fall  
Let it all fall  
Let the rain fall, let the sky fall  
Let it all fall
