Mest

What's going on these days? I haven't seen you in so long
What went on those days? Why weren't we getting along?
What went on those days when I've missed you so much?
All those times that we drank way too muchEverything's gonna be alright
Let's, everybody, get along tonight
There's nothing wrong with peace and unity
'Cause that's what makes a person free
To be themselves and that's what we needWhat's going on these days? I haven't seen you in so long
What went on those days? Why weren't we getting along?
Now, that your back, well, I'm so happy to see you
Well, play some shows, drink some beer or smoke a bong or twoEverything's gonna be alright
Let's, everybody, get along tonight
It doest matter if your black or whiteSo, move on, move on, move on, move on
That's where I stand
No regrets, no regrets, no regrets, no regrets
Just hold my handSo, move on, move on, move on, move on
That's where I stand
No regrets, no regrets, no regrets, no regrets
Just hold my handEverything's gonna be alright
Let's, everybody, get along tonight
It doesn't matter if your black or white
'Cause that's what makes a person free
To be themselves and that's what we need
And that's what we needSo, move on, move on, move on, move on
That's where I stand
No regrets, no regrets, no regrets, no regrets
Just hold my handSo, move on, move on, move on, move on
That's where I stand
No regrets, no regrets, no regrets, no regrets
Just hold my hand
