

He Ain't Heavy ... He's My Brother

Neil Diamond

The road is long
With many a winding turn
That leads us to who knows where
Who knows whereBut I'm strong
Strong enough to carry him
He ain't heavy, he's my brotherSo on we go
His welfare is of my concern
No burden is he, to bear
We'll get there
For I know
He would not encumber me
He ain't heavy, he's my brotherIf I'm laden at all
I'm laden with sadness
That everyone's heart
Isn't filled with the gladness
Of love for one anotherIt's a long, long road
From which there is no return
While we're on our way to there
Why not shareAnd the load
Doesn't weigh me down at all
He ain't heavy, he's my brother
He ain't heavy, he's my brother.
