Oh henry

Millie Small

Every day, I'm glad that you belong to me
I like the way you follow me
Oh Henry
The other day, I found out just the other day
I hear it from the other fellas
Oh Henry
No matter what you do, I'll keep on loving you
And if you ever go away, I'd long for you each day
Oh, oh Henry
Yes you are my only pride and joy
Yes you are my little puppy dog
Oh Henry
-
No matter what you do, I'll keep on loving you
And if you ever went away, I'd long for you each day
Oh Henry
Yes you are my little pride and joy
yes, you are my little puppy dog
Oh Henry
Oh Henry
Oh henry
