

# Oh henry

Millie Small

Every day, I'm glad that you belong to me

I like the way you follow me

Oh Henry

The other day, I found out just the other day

I hear it from the other fellas

Oh Henry

No matter what you do, I'll keep on loving you

And if you ever go away, I'd long for you each day

Oh, oh Henry

Yes you are my only pride and joy

Yes you are my little puppy dog

Oh Henry

-

No matter what you do, I'll keep on loving you

And if you ever went away, I'd long for you each day

Oh Henry

Yes you are my little pride and joy

yes, you are my little puppy dog

Oh Henry

Oh Henry

Oh henry
