

Awful

Hole

Swing low, sweet cherry
Make it awful
It's your life, it's your party
It's so awful
Let's start a fire, let's have a riot
Yea, it's awful
It was punk, yea, it was perfect
Now it's awful They know
How to break all the girls like you
And they rob the souls of the girls like you
And they break the hearts of girls Swing low, cherry cherry
Yea, it's awful
He's drunk, he tastes like candy
He's so beautiful
He's so deep like dirty water
God, he's awful
You're lost oh, where's your daddy?
It's so awful And they royalty rate all the girls like you
And they sell it out to the girls like you
To incorporate little girls Hey, run away with the light
Run away, its divine
Let's run away, yea, tonight
We'll steal the light of the world Swing low, sweet cherry
Yea, it's awful
You're ripe for the picking
It's so awful
You've got your youth, don't waste your money
Yea, it's awful
I was punk, now I'm just stupid
I'm so awful Oh just shut up, you're only sixteen
Oh just shut up, you're only sixteen If the world is so wrong, yea
You can break them all with one song
If the world is so wrong, yea
You can take it all with one song Swing low, sweet cherry
Make it awful
Bought it all
Just build a new one
Make it beautiful, yea
