Midnight Sun

Ivy

Floating over the airwaves
What a feeling? I don't believe it
Distant voices from deep space
Are you receiving or can't you hear it?You're still the only one
Who sets me free
Just like a midnight sun
Shining on meDrifting over the freeways
It seems so easy, I know you're near me
Rising up through the staircase
Your eyes are open, I know you hear meYou're still the only one
Who sets me free
Just like a midnight sun
Shining on meRiding out on the airwaves
What a feeling? I don't believe it
Lift me out of this strange place
Give me something, you know I need itYou're still the only one
Who sets me free
Just like a midnight sun
Shining on meYou're still the only one
Who sets me free
Just like a midnight sun
Shining on me
