

# (I Know) I'm Losing You

## Rare Earth

Your love is fadin', I feel it fade  
Ah, your love is fadin', I feel it fade  
Ah, your love is fadin', woman I feel it fade Ah, woman, woman your touch, your touch has gone cold  
As if someone else controls your very soul  
I've fooled myself long as I can  
Can feel the presence of another man It's there when you speak my name  
It's just not the same  
Ooh babe, I'm losing you  
It's in the air, it's there everywhere  
Baby, baby, babe, I'm losing you When I look into your eyes  
A reflection of a face, I see  
I'm hurt, down-hearted and worried, girl  
'Cause that face doesn't belong to me It's all over your face  
Someone's takin' my place  
Ooh baby, I'm losing you  
You try hard to hide  
The emptiness you feel inside  
Ooh babe, I'm losing you Fadin', fadin' away from me, fadin' away from me  
Fadin', your love is fadin'  
I can feel it fadin', fadin', fadin' away from me Girl I know it's true, there's nothin' I can do  
I know I'm losing you  
I can feel it in my bones, in a day I'll be gone  
I'm losin' you I know it's true there's someone new, I'm losin' you  
'Cause your love is fadin', fadin' away from me  
Fadin', fadin' away from me  
It's fadin', fadin', fadin' away from me I can't bear the thought of losing you  
Ah woman, can't you see what I'm goin' through?  
I'm losin' my mind  
And it's all because of you I can't bear the thought of losing you  
I'm losin' my mind  
And it's all because of you  
I can't stand the thought of losing you
