

Misty

Kenny Rogers

Look at me
I'm as helpless as a kitten up a tree
Ah, I'm walkin' on a cloud
I can't understand, Lord
I'm misty holdin' your hand Walk my way
And a thousand violins begin to play
Or it might be the sound of your "hello"
That music I hear, Lord
I'm misty the moment you're near You can say that you're leadin' me on
But it's just what I want you to do
Don't ya notice how hopelessly I'm lost
That's why I'm followin' you Ooh, on my own
Should I wander through this wonderland alone, now
Never knowin' my right foot from my left
My hat from my glove, Lord
I'm misty, and too much in love You can say that you're leadin' me on
But it's just what I want you to do
Don't ya notice how hopelessly I'm lost
That's why I'm followin' you Ooh, on my own
Should I wander through this wonderland alone, now
Never knowin' my right foot from my left
My hat from my glove, Lord
I'm misty, and too much in love (Misty) too much in love
(Misty) too much in love
(Misty)
(Misty) too much in love...
