

4 words (to choke upon) (live at brixton academy)

Bullet for My Valentine

Betrayed one more time
But somewhere down that line
You're gonna get what's coming to you Look at me now
Look at me now
Look at me now! Pull it out from my back
Soon I'm the one that's on attack
Can't wait to return the favor Look at me now
Look at me now
Look at me now! Too many time I've seen it, rip a hole into our friendship
This is how it's been, how it always will be You think you're above me (You think you're above me!)
But now I'm here to envy Four words to choke upon!
Look! (Look!)
At, me
Now! Betrayed one more time
But somewhere down that line
You're gonna get what's coming to you Look at me now
Look at me now
Look at me now! Pull it out from my back
Soon I'm the one that's on attack
Can't wait to return the favor Look at me now
Look at me now
Look at me now! Too many time I've seen it, rip a hole into our friendship
This is how it's been, how it always will be You think you're above me (You think you're above me!)
But now I'm here to envy Four words to choke upon!
Look! (Look!)
At, me
Now! Oh! Too many time I've seen it, rip a hole into our friendship
Four words to choke upon! Too many time I've seen it, rip a hole into our friendship
This is how it's been, how it always will be You think you're above me (You think you're above me!)
But now I'm here to envy Four words to choke upon!
Look! (Look!)
At, me
Now!
