

When You're Alone (It Ain't Easy)

Journey

Evolution

When You're Alone (It Ain't Easy)

It ain't always easy, movin' day to day

She said she wants to tease me, so I'm on my way

Chorus:

When you're alone it ain't easy, you're like a dog that roams

Ain't got no girl to tease me, ain't got nobody home

She told me she'd be there, she'd phone me today

A little girl, big teaser, so I'm on my way

chorus

Yeah yeah yeah yeah, nobody home

My my my my my my my yeah, my my my my my my my yeah

Ooh it ain't always easy, movin' day to day

Oh how the girl loves to tease me, so I'm gonna stay

chorus

Yeah yeah yeah yeah, no no nobody home

chorus

When you're alone it ain't easy, when you're alone it ain't easy

Oh-oh-oh-oh no, ain't got nobody home
