I'm Looking Through You

Jenny Reynolds

I'm looking through you, where did you go?
I thought I knew you, what did I know?
You don't look different but you have changed
I'm looking through you, you're not the sameYour lips are moving, I cannot hear
Your voice is soothing but the words aren't clear
And you don't sound different, I've learned the game
I'm looking through you, you're not the sameWhy, tell me why did you not treat me right?
Love has a nasty habit of disappearing overnight
You're thinking of me, the same old way
You were above me but not todayThe only difference is you're down there
And I'm looking through you and you're nowhere
Why, tell me why did you not treat me right?
Love has a nasty habit of disappearing overnightI'm looking through you, where did you go?
I thought I knew you, what did I know?
And you don't look different but you have changed
Then I'm looking through you and you're not the sameGod, baby you've changed
I'm looking through you, baby, you've changed
I'm looking through you, I'm looking through you
Now baby, you've changed
