

# I'm Looking Through You

[Jenny Reynolds](#)

I'm looking through you, where did you go?  
I thought I knew you, what did I know?  
You don't look different but you have changed  
I'm looking through you, you're not the same Your lips are moving, I cannot hear  
Your voice is soothing but the words aren't clear  
And you don't sound different, I've learned the game  
I'm looking through you, you're not the same Why, tell me why did you not treat me right?  
Love has a nasty habit of disappearing overnight  
You're thinking of me, the same old way  
You were above me but not today The only difference is you're down there  
And I'm looking through you and you're nowhere  
Why, tell me why did you not treat me right?  
Love has a nasty habit of disappearing overnight I'm looking through you, where did you go?  
I thought I knew you, what did I know?  
And you don't look different but you have changed  
Then I'm looking through you and you're not the same God, baby you've changed  
I'm looking through you, baby, you've changed  
I'm looking through you, I'm looking through you  
Now baby, you've changed
