

# Blackjack

Optiv

Rollin' the dice  
Never thinkin' twice  
She took my breath away  
And now it's time to pay

I got all my money on thirteen black tonight, yeah

She's a sweet senorita, a real man eater  
She ain't gonna let me get home alive

Blackjack

She's a hell of a thrill

Blackjack

She's makin' a kill  
Fever runnin' high

I got aces in my eyes

She's got somethin' up her sleeve

As I watch my chips bleed

I got all my money on thirteen black tonight, yeah

She's a sweet senorita, a real man eater  
She ain't gonna let me get home alive

Blackjack

She's a hell of a thrill

Blackjack

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's a hell of a thrill

She's makin' a kill

She's makin' a kill  
Blackjack, blackjack, blackjack  
Blackjack, blackjack  
Blackjack, blackjack
