

Lovin' You, Baby (feat. Menahan Street Band)

Charles Bradley

Loving you baby
When you're holding me, baby
I feel so real
When you're kissing me, baby
Oh, it feels so real
Oh Oh Baby
I, all my life I been searching for love
Mourning for love, giving everything I know
Oh, oh oh baby
When you touch me, baby
My heart skips a beat
Loving you baby
Has meant everything to me
Oh, baby oh baby
Everything to me
Every night when I look into your face
I know baby, I know it's you
That makes my life complete
Wanting you, baby
Oh I can't get enough of you baby
Can't get enough of you
I was crying when I felt your love
This time i know it's real baby
Ohh
No More Bad dreams baby
No more afraid to open the door and let you in
Lovin you bab
Needin You baby
But I feel so real
When you're holding me baby
When you're needing me baby
Every night when I look into your face
I know its you that makes my life complete
Oh Baby baby
I'm gonna love you baby
No matter what it takes
It's you and e all the way
For the rest of my life
I lovee you baby

There's no one above you
You know when you love someone so deeply
When you feel it in your heart...
