

Down On My Knees

Bread

I told you before - don't you hear what I say
I won't take it no more - no more makin' me stay
Down on my knees - you know I'm down on my knees yeh
Yes I've been down on my knees
But I'm through beggin' please
I won't get back on my knees. Nobody knows - what your puttin me through
Nobody knows - if it's worth it for you
Nobody sees - you got me down on my knees
Well I've been down on my knees
And I'm through beggin' please
Don't put me back on my knees. You know how I always loved you
Never placed myself above you, Don't let me go - if I wish that I could
Don't tell me no - if I wish that you would
Down on my knees - you know I'm down on my knees
Well I've been down on my knees
But I'm through beggin' please
Don't put me back on my knees.
