Lover's Lane

Squirrel Nut Zippers

Broadway really ain't quite the same
Since you and I found Lover's Lane
Standing on the corner Fourth and Main
Dreaming of you, way downtown in Lover's LaneThe sun is down, the moon is bright
Lover's want to stroll all night
Way downtown in Lover's Lane, Lover's LaneWell, getting high on bourbon and champagne
Just can't compare to what we share down in Lover's Lane
Standing on the corner Fourth and Main
Still it cannot match the thrill of Lover's LaneSun is down, the moon is bright
Lover's gonna stroll all night
Way downtown in Lover's Lane, Lover's LaneThat Broadway really ain't quite the same
Since you and I found Lover's Lane
Standing on the corner Fourth and Main
Dreaming of you, way downtown in Lover's LaneAll the world is fast asleep
She'll be jumping off lover's leap
With some other fella down in Lover's Lane
With some other fella down in Lover's Lane
With some other fella
