

Beware

The Afghan Whigs

The way people smile and say
Using me in every way, it's okay
Times are changing, life is upside down
No reason to cry now, oh, no reason to cry now
Beware of who you listen to
Beware of what you believe
Ain't nothing I can do to you
To make you love me
Friends are the reason for so many breakups and breakdowns
'Round town, so many people think that life is so much fun
We've only just begun
Begun to have some fun
Beware of who you listen to
Beware of what you believe
Ain't nothing I can do to you
To make you love me
Beware of who you listen to
Beware of what you believe
Ain't nothing I can do to you
To make you love me, to make you love me
