

Sundown

S Club Juniors

Let's go get it right Sundown
Friday twilight in the big town
Party people gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin' The city's in a heat wave
Prayin' for a sunshade
Hopin' that the evenin'
Will chill down the streets And I'm a little hot too
Coz I can only think of you
Hopin' that tonight you'll find out
What I lie-ie-ie-ie-ike Sundown
Friday twilight in the big town
Party people gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin'
Sundown
Air gets cooler
But my heart pounds
Loud and fast
I'm gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin' I don't know if you've seen me
Don't know if you are dreamin'
Hopin' for someone who
Can show you who you are Tonight I'm gonna find you
Flyin' on a breeze and blind you
Takin' from this clubland
And sends us to
The star-ar-ar-ar-ars Sundown
Friday twilight in the big town
Party people gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin'
Sundown
Air gets cooler

But my heart pounds
Loud and fast
I'm gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin' Bring back the funk Time no need to rush
We can make it right
Coz we are meant to be
You and I It's in the air we breathe
All around, all around
Say your longin' to
Coz I will look for you at Sundown
Friday twilight in the big town
Party people gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin'
Sundown
Air gets cooler
But my heart pounds
Loud and fast
I'm gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin' Sundown
Friday twilight in the big town
Party people gettin' ready now
Somewhere baby
I know your waitin'
The city's vibratin'
