Twilight World

Swing Out Sister

It's twilight world

It's twilight world

Time out
World in a hurry
There's more love than money changing hands

Lights out
Thinking out loud
Turn your back on the world outside

Night thoughts
No one can share
As darkness breaks through another day

Secrets
Talking out loud
Silence waits just a dream away

Forget lonely crowds, unfriendly faces
They'll soon became familiar places
Before too long, before too long

Don't be fooled by love songs and lonely hearts
You're living in a twilight world
Don't be fooled by love songs and lonely hearts
Don't give in to the twilight world

Time out
World in a hurry
There's more love than money changing hands

Lights out
Thinking out loud
Turn your back on the world outside

Forget lonely crowds, unfriendly faces
They'll soon became familiar places

Before too long, before too long

Don't be fooled by love songs and lonely hearts
You're living in a twilight world
Don't be fooled by love songs and lonely hearts
Don't give in to the twilight world

Don't be fooled by love songs and lonely hearts
You're living in a twilight world
Don't be fooled by love songs and lonely hearts
Don't give in to the twilight world
