Every Single Thing

HOMESHAKE

Hey, are you even paying attention to me right now?Every single thing that I shouldn't do
Seems to come so natural
I don't know 'bout youFeeling so out of touch
Staying inside too much
Introducing all these hands but I'm out of luckThought it'd be easier
For me to think of her
I was dreaming as you spoke and not listenin' to you
Thought it'd be easier
For me to think of her
I was dreaming as you spoke and not listenin' to youIs there anything you need?
Make you feel more comfortable
Put your mind at easeSo what do I do instead?
When I think about every single thing
Nodding through my head
Keeping me insideThought it'd be easier
For me to think of her
I was dreaming as you spoke and not listenin' to youThought it'd be easier
For me to think of her
I was dreaming as you spoke and not listenin' to
Every single thing
Every single thing
Every single thing
Every single thing
Every single thing
Every single thing
Every single thing
Every single thing
