

# Clear (ft. Mothica)

## Pusher

Words fall out of my mouth  
they drift to the ground and they don't make a sound  
I'll try to simple them back to the place in my head where I feel that I like  
The proper speak that I lead to narrate the scene to tie up these things  
The proper place for my thoughts  
I know that I'm not I know that I'm not So clear and transparent I'll try but I can't promise it  
So dark but delicate  
Well I'm wrapped around the edge's end  
You can try to smooth me down but I'm not, no I'm not  
You can try to smooth me down but I'm not ready to forget You can try to smooth me down but I'm not, no I'm  
not  
You can try to smooth me down but I'm not ready to forget (You can try to smooth me)  
x2 I'm not ready to forget Take back all that I said  
I've said it before and I'll say it again  
It's not like me to pretend but the best part of me is the worst I can get But you make me so tired to fight  
I try to reply but I'm shaking inside  
You gave me a tongue just to tie  
I'll swallow my pride if you swear not to lie  
Hard to breathe and hard to speak to  
But don't take my word  
Because I'm honestly so wanna-be and misunderstood but I'm not  
So clear and transparent  
I'll try but I can't promise it  
So dark but delicate  
Well I'm wrapped around the edges end  
You can try to smooth me down but I'm not, no I'm not  
You can try to smooth me down but I'm not ready to forget
