

# You Spin Me Round

## Foolish Wives

I don't want to know your name  
And I do want your private number, baby  
All I know is that to me, you look like you're lots of fun  
Open up your loving arms, I want some, want some I set my sights on you  
(And no one else will do)  
And I've got to have my way now, baby All I know is that to me, you look like you're lots of fun  
Open up your loving arms, watch out, here I come You spin me right round baby, right round  
Like a record, baby, right round, round, round  
You spin me right round baby, right round  
Like a record, baby, right round, round, round I don't want to be your friend now, baby  
But I want to move it just a little bit closer All I know is that to me, you look like you're lots of fun  
Open up your loving arms, watch out, here I come You spin me right round baby, right round  
Like a record, baby, right round, round, round  
You spin me right round baby, right round  
Like a record, baby, right round, round, round All I know is that to me, you look like you're lots of fun  
Open up your loving arms, watch out, here I come You spin me right round baby, right round  
Like a record, baby, right round, round, round  
You spin me right round baby, right round  
Like a record, baby, right round, round, round
