

# Genie

## Spice

[Intro]

This a the style, this a the  
This a the style, gyal a this a the style  
A this mi use and take weh yuh man all the while  
This a the style

[Verse 1]

Mi lay down flat pon di buddy like a polish pon nail  
Cocky big inna mi belly like whale  
Boom flick, mi just a bubble, shake like a snake tail  
Pussy wet like boat outta sea weh a sail

[Refrain]

Yuh man a rub me like a genie  
So mi just open sesame  
Your man, him love under me  
Under me, your man love under me

[Bridge]

Small like a mosquito, this make you cum quicker  
No bite, no vampire, dick long like antenna  
Spin like a car tire, bend me up like a wire  
Whine pon di buddy, this a bun me like pepper

[Pre-Chorus]

Your man love it, a so your man love it  
Your man love it, a so your man love it  
Your man love it, a so your man love it  
Him love it, him love it, him love it, him love it, him love it

[Chorus]

So anytime you can't find your man  
Him deh behind me inna the position  
Him deh behind me, him deh behind me  
Your man love inna mi middle section  
Anytime you can't find your man  
Him deh behind me inna the position  
Him deh behind me, him deh behind me  
Your man love inna mi middle section

[Verse 2]

Balls a slap up pon mi hole like a pool table  
Cocky long like the card weh string the cable  
Mi bawl and make noise like mi inna cradle  
When mi done, mi fi walk like say mi disable

[Refrain]

Yuh man a rub me like a genie  
So mi just open sesame  
Your man, him love under me  
Under me, your man love under me

[Verse 3]

So mi like it, a dah style yah this mi love  
Give him the gum, the needle eye, you deh below, mi deh above  
Under fire grip yuh cocky like a surgical glove  
Inna mi romping shop mi make you fly like a dove

[Pre-Chorus]

Your man love it, a so your man love it  
Your man love it, a so your man love it  
Your man love it, a so your man love it  
Him love it, him love it, him love it, him love it, him love it

[Chorus]

So anytime you can't find your man  
Him deh behind me inna the position  
Him deh behind me, him deh behind me  
Your man love inna mi middle section  
Anytime you can't find your man  
Him deh behind me inna the position  
Him deh behind me, him deh behind me  
Your man love inna mi middle section

[Intro]

This a the style, this a the  
This a the style, gyal a this a the style  
A this mi use and take weh yuh man all the while  
This a the style

[Verse 1]

Mi lay down flat pon di buddy like a polish pon nail  
Cocky big inna mi belly like whale  
Boom flick, mi just a bubble, shake like a snake tail  
Pussy wet like boat outta sea weh a sail

[Refrain]

Yuh man a rub me like a genie  
So mi just open sesame  
Your man, him love under me  
Under me, your man love under me

[Bridge]

Small like a mosquito, this make you cum quicker  
No bite, no vampire, dick long like antenna  
Spin like a car tire, bend me up like a wire  
Whine pon di buddy, this a bun me like pepper

[Pre-Chorus]

Your man love it, a so your man love it  
Your man love it, a so your man love it  
Your man love it, a so your man love it  
Him love it, him love it, him love it, him love it, him love it

[Chorus]

So anytime you can't find your man  
Him deh behind me inna the position  
Him deh behind me, him deh behind me  
Your man love inna mi middle section  
Anytime you can't find your man  
Him deh behind me inna the position  
Him deh behind me, him deh behind me  
Your man love inna mi middle section
