

Fast Fuse

Kasabian

Oh baby, I was born with a fast fuse
I got no time to love, just a city to abuse
Oh baby, I was born with a fast fuse
I got no time to love, just a city to abuse
Oh, come get me, with your files don't arrest me
I'm Lucifer's child, wild, acids done
Black sunglasses shade the morning sun
So come get me, all you fuckers can't touch me
Well, I'm the hooligan choir, sire, so sit don't scatter
It don't matter get me one, two, three
Gold lighting in the skyline
Gold lighting in the sky
Oh baby, I was born with a fast fuse
I got no time to love, just a city to abuse
Oh baby, I was born with a fast fuse
I got no time to love, just a city to abuse
The vultures circle round
They wait above the ground
How dare you? Now it's time to address you
I'm the reason you came, shame, stroke my mane
See my fist chopping up your reign
It's getting hotter, now I'm spitting out lava
I'm the Spaniard in the works, jerks, genuine stock
Hear that bomb going tick, tick, tock
Gold lighting in the skyline
Gold lighting in the sky
Gold lighting in the skyline
Gold lighting in the sky
Oh baby, I was born with a fast fuse
I got no time to love, just a city to abuse
In the middle of the night when they come for you
Who you going to be? What you gonna do?
Heaven may come and heaven may call but I won't be there
Heaven may come and heaven may call but I won't be there
Heaven may come and heaven may call but I won't be there
Heaven may come and heaven may call but I won't be there
